STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Office of Management and Budget)

This bill as amended, has a minimal fiscal impact to the State of Illinois.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Illinois State Board of Education)

HB 814 (H-AM 3) will have a minimal fiscal impact on the State. The legislation may increase the number of charter schools in the State, which may in turn increase the workload of the State Board of Education and/or the State Charter School Commission on charter certifications, processing of charter appeals, and technical assistance to constituents. Either or both agencies may have to hire additional staff and/or increase existing staff time on such work. The legislation may also have a fiscal impact on school districts where new charter schools locate. All charter schools have a financial impact on the local district. Specifically, charter schools receive both per pupil tuition and a proportionate share of federal and State categorical aid funding. Charter schools authorized by local school boards receive these funds through the local district, while charter schools authorized by the Commission receive these funds directly from the State Board. The State Board is required to withhold funds from the local district's General State Aid allocation to make tuition payments to Commission-authorized charter schools.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 3

(Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

Will not impact any public pension or retirement system in Illinois.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

HB 814, as amended by House Amendment 3, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

225 ILCS 725/6 from Ch. 96 1/2, par. 5409

Amends the Illinois Oil and Gas Act. Establishes the criteria that the Department of Natural Resources may consider when making a determination that the oil and gas leases submitted with

an application for a permit or transfer of a permit for a well are operative and that prior oil and gas leases covering the same lands have terminated due to non-development or non-production under the current permittee. Provides that the Department may rely upon affidavits of non-development and non-production from individuals familiar with the history of development and production of such lands in addition to other evidence. Requires that such testimony and evidence create a rebuttable presumption that there has been no development or production of oil or gas on the lands described in the prior leases for at least 24 consecutive months subsequent to the expiration of the primary term or any extension of the primary term as set forth in the leases. Further provides that a court order or judgment declaring the prior leases terminated is not required, except in extraordinary circumstances where such a determination cannot reasonably be concluded from the testimony and evidence submitted to the Department. Provides that, upon the Department's determination of a rebuttable presumption, the Department shall provide the current permittee with notice and a 30-day opportunity to request a hearing to rebut the presumption before a final determination on a lease is made. Further provides that, upon the Department's determination of a rebuttable presumption, if the applicant is not requesting a transfer of any existing permit, but is requesting a new permit, the permit shall be issued to the applicant. Provides that any determination made by the Department shall not diminish the rights or obligations of any current permittee of a well that are otherwise provided by statute or regulation of the Department. Further provides that any request for a determination by the Department or any subsequent hearing requires the payment of a nonrefundable fee of \$1000. Requires that the Department make a determination on a lease no later than 90 days after the Department's receipt of a valid request for a determination. Effective immediately.

Provides that, except for certain annuitants who have 30 years of service credit, an annuitant shall not receive an automatic increase in retirement annuity. Provides that the Division's schedule shall also provide for the adjustment of minimum retirement ages using a matrix that (i) takes into account the current statutory retirement age for various classes of persons and service credit accrued by those persons and (ii) proportionally discounts the increase in statutory retirement ages based on proximity to the currently established minimum retirement age. Requires a participant, except for a participant who is a covered employee under the State Employee Article, to contribute 8% of his or her compensation to the plan and requires the employer to contribute 7% of the participant's compensation to the plan. Establishes a schedule for vesting in employer contributions. Beginning State fiscal year 2016, makes changes to the prescribed funding formulas for the 5 State-funded retirement systems.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Central Management Services)

The Department of Central Management Services is unable to project a fiscal impact associated with this proposed legislation due to the following factors: (A) The rapid change of the automobile industry; (1) Which manufacturers offer VIN numbers 1/2/4/5 may change frequently; (2) Each vehicle purchase is unique in the type of vehicle that is needed - pickup truck versus a sedan versus economy car versus a hybrid, etc; (B) The amount of vehicles purchased in any given fiscal year is dependent upon need and adequate cash flow, which is especially unpredictable. (C) In general, any limitation on the potential universe of bidders will serve over time to increase costs.

Amends the Illinois Pension Code. With respect to the 5 State-funded Retirement Systems: requires each System to prepare and implement a Tier 3 plan by July 1, 2016 that aggregates State and employee contributions in individual participant accounts which are used for payouts after retirement. Provides that a Tier 1 or Tier 2 participant may irrevocably elect to participate in the Tier 3 plan instead of the defined benefit plan; makes conforming changes. Authorizes a Tier 1 or Tier 2 participant who elects to participate in the Tier 3 plan to elect to terminate all participation in the defined benefit plan and to have a specified amount credited to his or her account under the Tier 3 plan. Provides that the Tier 3 plan supersedes the defined contribution plan created under P.A. 98-599 for certain Tier 1 participants. Requires each System to report on its progress in establishing the Tier 3 plan to the Governor and the General Assembly by January 15, 2016. Provides that "new benefit increase" does not include any benefit increase resulting from the changes made by the amendatory Act. In the Downstate Teachers, State Employees, and State Universities Articles, authorizes a person to elect not to participate or to terminate his or her participation in those Systems. In the General Assembly and Judges Articles, authorizes a participant to terminate his or her participation in the System. Makes related changes in the Retirement Systems Reciprocal Act (Article 20 of the Code) and the State Employees Group Insurance Act of 1971. Makes other changes. Effective immediately.

HB-4205 FORD - FLOWERS.

110 ILCS 947/65.47 new

Amends the Higher Education Student Assistance Act. Requires the Illinois Student

Assistance Commission to award grants to applicants who are teachers licensed under the School Code and are employed by a school district within an area designated as a poverty area by the Department of Commerce and Economic Opportunity to obtain additional course credit or an additional degree at a public university located in this State. Provides that the amount of the grant shall equal 50% of the tuition and other necessary fees required of the teacher by the public university at which the teacher enrolls. Requires grant recipients to contract with the Commission to teach for an additional 2 years in the school district in which they were employed at the time of application for the grant. Sets forth provisions concerning this commitment.

PENSION NOTE (Government Forecasting & Accountability)

HB 4205 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 4205 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE (Illinois Board of Higher Education)

The Illinois Student Assistance Commission estimate uses the percentage of the school eligible for Free or Reduced Lunch as a proxy, not knowing how The Department of Commerce and Economic Opportunity would define a poverty area. About 61,000 teachers work in schools with at least 40% of students eligible for free or reduced price lunch, and around half of teachers already hold a master's degree, leaving roughly 30,000 teachers who might be eligible for the program. According to College Navigator data, the weighted average tuition and fees for undergraduate school in Illinois is about \$13,000. The weighted average for graduate school at Illinois public universities is about \$13,509. The bill proposes covering half the cost. If most teachers wanted to attend graduate school parttime, then the average cost per participant using graduate tuition and fees is $\$13,509 \times 0.5 \times 0.5$, or \$3,377 per participant. Determining participation is more complicated. If half of the eligible teachers chose to participate, the cost would be $15,000 \times \$3,377$, or about \$50 million. If 10% wanted to participate it would be $3,000 \times \$3,377$, or about \$10 million.

Amends the Illinois Act on the Aging, the Disabled Persons Rehabilitation Act, and the Illinois Public Aid Code. Regarding services provided under the Community Care Program, the Home Services Program, the supportive living facilities program, and the nursing home prescreening project, provides that individuals with a score of 29 or higher based on the determination of need assessment tool are eligible to receive institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool. Provides that the State shall not implement an updated assessment tool that causes more than 1% of then-current recipients to lose eligibility; and that anyone determined to be ineligible for services due to the updated assessment tool shall continue to be eligible for services for at least one year following that determination and must be reassessed no earlier than 11 months after that determination. Further amends the Illinois Public Aid Code by deleting a provision requiring the Department of Healthcare and Family Services to, subject to federal approval, on and after July 1, 2012, effectuate an increase in the determination of need scores from 29 to 37 for applicants for institutional and home and community-based long term care. Amends the Nursing Home Care Act. 765 ILCS 605/33 new

Amends the Condominium Property Act. Contains a statement of public policy. Provides that a unit owner may bring a legal action against the association or its board of managers to enforce individual or common interest community rights without being required to sue other homeowners or otherwise name them as defendants. Provides that any costs associated with providing notice to unit owners shall be paid by the association and shall not be assessed against the unit owner bringing the action. Provides that any provision of any condominium instrument or any rule or regulation seeking to limit a unit owner's right to commence litigation against an association or its board of managers or to limit the liability of an association or its board of managers for a breach of duty is void as against public policy and shall not be given effect. Provides that a unit owner's compliance with an association's demand does not waive the unit owner's right or ability to challenge the demand in a later commenced legal action. Provides that in certain types of litigation, the court shall award reasonable attorney's fees and costs to the prevailing party. Provides that a court may reduce the award of fees or award no fees to an association: (i) if the court finds that the legal action benefitted the association by clarifying the duties of the association; or (ii) based on other equitable considerations. Provides that the association is barred from recovering any attorney's fees and costs in a claim brought under the Forcible Entry and Detainer Article of the Code of Civil Procedure if the unit owner prevails based on a breach of duty by the association or any member of its board of managers. Amends the Code of Criminal Procedure of 1963. Any party who learns of the death of a defendant in a criminal case that is pending on appeal shall promptly notify the other party and file a certificate of notice of the defendant's death with the court before which the appeal is pending. If the appeal is by the State, upon the filing of the certificate, the court shall vacate the judgment and sentence of the trial court and the cause shall be forever abated. If the appeal is by the defendant, upon the filing of the certificate, the court shall immediately stay further action in the proceeding for 28 days. During the stay, the executor or administrator of the defendant's estate, the defendant's attorney on appeal, the Office of the Appellate Defender, or the Public Defender in the county in which the defendant was convicted, or other successor in interest shall have standing to petition the court for leave to intervene in the appeal for the purpose of pursuing the appeal in place of the defendant. If, after intervention, the appeal results in: (1) the entry of an order affirming the decision of the trial court, the intervenor may continue to pursue the appeal on the behalf of the defendant or seek post-conviction relief to the extent that further appellate or post-conviction relief would have been available to the defendant were he or she still alive; (2) a finding of error by the court resulting in the reversal of a defendant's conviction, the court shall vacate the judgment and sentence of the trial court and the cause shall be forever abated; or (3) a finding of error which would require the trial court to resentence the defendant, but does not require reversal of the defendant's sentence, the court shall vacate the sentence imposed by the trial court and the conviction shall stand. If no petition for leave of the court to intervene is filed, the court shall dismiss the appeal without disturbing the decision of the trial court or sentence it imposed.
